

20+ system utilities in one bundle

WinUtilities is a system tweaking suite that includes more than 20+ tools to improve and tweak your PC's performance. It offers an attractive and easy to use interface that organizes all tasks into categories and provides graphical statistics whenever possible. The tools include Junk File Cleaner, Registry Cleaner, Memory Optimizer, System Information, Registry Backup, File Encryption, Safe Uninstaller, Duplicate File Finder, File Shredder, Disk Defrag, File Recovery Utility and much more. WinUtilities also includes an Internet Tracks Eraser with Cookie Manager and Secure Deletion. Overall, a great bundle that offers a wide range of system tools with extra benefits which are not easy to find.
